

Meeting your baby's glance, reassuring him and smiling to him, witnessing his way of discovering and seeing the world. Observation is part of his growth and the presence of his parent allows him to feel protected and nursed, free to discover all that surrounds him.

The well-known practical feature of Inglesina's Zippy system combines with a true requirement of today's mum, and thus Zippy Free has come about, the stroller conceived for parents looking for a single product able to join together compact dimensions and technical excellence.

The Zippy system, besides the top features that make it unique, has something important to add: the seat's reversibility, allowing to change the baby's position from facing street to facing mum.

Zippy Free, free to look always towards the best!

Features:

- Stroller suitable from birth to 15 kg.
- Umbrella closure, small dimensions (height 100.5 cm when closed), ONE ACTION FOLDING - "It can be opened and closed with only one hand".
- Handles with height adjustable ergonomic grips that can rotate.
- Pivoting front wheels, with lock-unlock mechanism which, once activated, automatically reaches its ideal position.
- Front wheels diameter 185 mm; rear wheels diameter 205 mm with Abec 5 bearings.
- Active brake lever, which, once activated, automatically positions itself, thereby ensuring improved safety.
- Capacious storage basket approved for up to 3 kg.
- Equipped with handy standard cup holder.
- Comfortable, lateral carry handle.
- Light seat, reversible (can be oriented either facing mum or facing street).
- It can be closed with the seat both facing mum and facing street.
- Easy system for hooking and unhooking from the chassis.
- Adjustable 5-point harness.
- The pushchair seat, thanks to the double position, offers the opportunity to adjust the back straps in terms of height, following the baby's growth.
- Padded shoulder straps and belt coupling covered with soft fabric.
- 4-position reclinable backrest with centralised control.
- Double handrail: for facing-mum and facing-street orientation.
- Handrail and footrest lining in technical waterproof material, resistant and easy to wash.
- Front footrest adjustable in 2 positions.
- The leg cover can be fixed with pushchair hooked either facing mum or the street and it can be wrapped up if folding the stroller with leg cover mounted.
- The soft, padded leg cover can be hooked into a suitable position to protect the baby from cold.
- The hood can be tilted forwards to serve as a sun visor.
- Customised transparent hood window.
- The hood, equipped with a convenient zipper, opens on the back to allow greater airing.
- The hood is equipped with a capacious pocket and an additional front hood flap.
- Totally removable pushchair lining and hood, hand washable at 30° C.
- Equipped with standard rain cover.
